H. T. PRINSEP, Secy. to the Govt.

At the Court at Brighton, the 9th day of December 1833,

PRESENT—

The King's Most Excellent Majesty in Council.

Whereas by a certain Act of Parliament, made and passed in the third and fourth year of His Majesty's reign, intituled "An Act to regulate the trade to China and India," it is amongst other things, enacted, that it shall and may be lawful for His Majesty, by any such Order or Orders as to His Majesty in Council shall appear expedient and salutary, to give to the Superintendents in the said Act mentioned, or any one of them, powers and authorities over and in respect of the trade and commerce of His Majesty's subjects within any part of the dominions of the Emperor of China; and to make and issue directions and regulations touching the said trade and commerce, and for the Government of His Majesty's subjects within the said dominions.

And it is thereby further enacted, that it shall and may be lawful for His Majesty, by and with the advice of His Privy Council, by any Order or Orders to be issued from time to time, to impose and to empower such Persons as His Majesty in Council shall think fit, to collect and levy from or on account of any Ship or Vessel belonging to any of the subjects of His Majesty entering any Port or Place where the said Superintendents, or any of them, shall be stationed, such duty on tonnage and goods as shall from time to time be specified in such Order or Orders, not exceeding in respect of tonnage, the sum of five shillings for every ton, and not exceeding in respect of goods, the sum of ten shillings for every one hundred pounds of the value of the same:—

And it is thereby enacted, that the fund arising from the collection of such duties, shall be appropriated in such manner as His Majesty in Council shall direct towards defraying the expenses of the establishments, by

the said Act authorised, within the said dominion ; now, therefore, in pursuance of the said Act, and in execution of the powers thereby in His Majesty in Council in that behalf vested, it is hereby ordered by His Majesty, by and with the advice of His Privy Council, that it shall be lawful for the Superintendents, appointed by virtue of the said Act of Parliament, for the time being, and for any person or persons duly authorised by them respectively, to recover and receive from all Masters or other Chief Officers or Commanders, of all Ships and Vessels belonging to any of His Majesty's subjects which may enter the port of Canton, or may be trading at that port, the sum or sums of money following, that is to say,—in respect to tonnage the sum of two shillings for every ton as per register of such Ships and Vessels, and so in proportion for any fractional part of a ton ; and in respect of goods imported and exported, except bullion, at and after the rate of seven shillings for every one hundred pounds of the value of the same :—

And it is further ordered, that the value of the goods composing the inward cargoes of such Ships or Vessels shall be fixed by the current market prices of such goods at Canton aforesaid, exclusive of the import duty, and that the value of the goods composing the outward cargoes of such Ships or Vessels shall be estimated by the current market prices at Canton aforesaid, of the articles composing the same at the period of shipment, exclusive of the export duties :—

And it is further ordered, that if any difference of opinion should arise as to the market prices aforesaid, the same shall be determined and fixed by two indifferent British Merchants or subjects residing at the place, one to be chosen and appointed by the said Superintendents, or by the person or persons authorised by them respectively, and the other by the Master of the Vessel, or by the consignee or shipper of the cargo, which two persons previously to their entering into the consideration of the subject referred to them, shall appoint a third person, being also a British Merchant or subject, residing at the place, to be the umpire in the event of their disagreeing upon the point referred to them; and in case the two persons so chosen shall not agree and award the same within seven days after such appointment, then such third person, so previously chosen and appointed, shall decide and determine the said current market price, within the space of three days after the expiration of the seven days, unless it shall be otherwise mutually agreed upon between the said Superintendents, or person or persons authorised by them respectively, and the consignee or shipper of the cargo, and such sum shall be paid in either case as shall be agreeable to this order :—

And it is further ordered, that all Masters, Commanders, or other Chief Officers of all British Ships and Vessels trading to or from the port of Canton aforesaid, and unloading or delivering the Ship or Vessel, or any of the cargo there, shall within forty-eight hours after the arrival of such Ship or Vessel, deliver to the said Superintendents, or to the person or persons authorised by them for that purpose respectively, a true manifest in writing, upon oath, specifying the particulars of the whole cargo of such Ship or Vessel, so to be unloaded or delivered, or of such part thereof as shall be unloaded or delivered there, and to whom consigned ; and likewise twenty-four hours before the said Masters, Commanders, or other Chief Officers, require the outward clearances or passports for their said Ships or Vessels, they shall deliver to the said Superintendents, or to the person or persons authorised by them for that purpose respectively, a true manifest in writing, upon oath, specifying the particulars of the whole cargo of such Ship or Vessel laden there, or of such part thereof as shall have been laden or received on board such Ship or Vessel in the said port of Canton, which oaths the said Superintendents, or person or persons authorised by them respectively, are and is hereby empowered and required to administer gratis upon request :—

And it is further ordered, that all bills of lading of such Ships or Vessels shall specify to pay the said monies accordingly under the denomination of " Contribution as by China Trade Act, and the Order in Council thereupon issued ;" and the persons paying the same shall be re-imbursed by the persons to whom the said goods shall be consigned, or who shall receive the same, or by their respective freighters ; and in case the Master or Commander of such Ship or Vessel shall neglect to specify the payment of the said monies in the bill or bills of lading, as aforesaid, he shall be answerable for the same :—

And it is further ordered, that for the better securing and collecting the payment of the said monies hereby

## FORT WILLIAM,

POLITICAL DEPARTMENT, THE 4TH JULY, 1834.

The Hon'ble the Vice President in Council is pleased to direct, that the following Proclamation and Notification by His Excellency the Right Hon'ble the Governor General of India in Council, dated Ootacamund, 16th June, 1834, be published for general information.

By Order of the Hon'ble the Vice President in Council,

C. MACSWEEN,  
*Chief Secy. to the Govt.*

## PROCLAMATION

*By His Excellency the Right Hon'ble the Governor General in Council.*

*Political Dept.* Whereas in and by an Act made and passed in Great Britain, in the Third and Fourth Year of the Reign of His present Majesty King William the Fourth, and entitled "An Act for effecting an arrangement with the East India Company and for the better Government of His Majesty's Indian Territories," it is enacted that the Territories now subject to the Government of the Presidency of Fort William in Bengal, shall be divided into two distinct Presidencies, one of such Presidencies, in which shall be included Fort William aforesaid, to be styled the Presidency of Fort William in Bengal, and the other of such Presidencies to be styled the Presidency of Agra, and that the superintendence, direction, and controul of the whole Civil and Military Government of all the said Territories and Revenues in India shall be vested in a Governor General and Counsellors to be styled the Governor General of India in Council; And whereas His Excellency the Right Hon'ble Lord William Cavendish Bentinck, G. C. B. and G. C. H., has been appointed the first Governor General under the said Act, as well as Governor of the Presidency of Fort William, and Commander in Chief of India; and the Honorable William Blunt, Esq., the Honorable Alexander Ross, Esq., Lieutenant Colonel William Morison, C. B., of the Madras Establishment (in the absence of William Byam Martin, Esq.) and Thomas Babington Macaulay, Esq., have been appointed the first four Ordinary Members of the Council of India under the said Act; And whereas the Right Honorable Sir Frederick Adam, K. C. B., the Honorable Sir Charles Theophilus Metcalfe, Baronet, to be the first Governor of Agra under this Act, and also to appoint the said Sir Charles Theophilus Metcalfe to succeed to the Office of Governor General of India on the death, resignation, or coming away of the Right Honorable Lord William Cavendish Bentinck—And whereas the Honorable the Court of Directors have been pleased to declare that it has not appeared to the Honorable Court necessary or desirable to appoint two Councils for the assistance of the Governor General, one the Supreme Council, the other for the local administration of the Presidency of Fort William—and whereas the Honorable Court have not revoked the appointment of a Council for the Government of Fort William, and have not made any provision for the formation of such Council in the absence of the Governor General and of the Members of the Council of India—and whereas it is impracticable to carry into immediate execution all the extraordinary measures which

K. C. B., the Honorable Charles Harris, Esq., and the Honorable William Oliver, Esq., have been appointed the first Governor and Council of the Presidency of Fort St. George; and the Right Honorable John Earl of Clare, the Honorable Sir John Keane, K. C. B., the Honorable William Newnham, Esq., and the Honorable James Sutherland, Esq., have been appointed the first Governor and Council of Bombay under the said Act, Proclamation is hereby made accordingly of the said appointments and of the assumption of the powers and authorities in and by the said Act provided and conferred, and all persons are hereby strictly enjoined and required to take notice thereof and to pay obedience to the Governments thereby respectively constituted. And whereas at a Council assembled at Ootacamund this 16th day of June, 1834, by virtue of powers to that effect conferred by the L. Section of the said Act, whereby it is enacted that the Council of India, shall from time to time assemble at such place or places as shall be appointed by the said Governor General in Council, at which Council the Right Honorable Sir Frederick Adam, K. C. B., was present and acted as an Extraordinary Member, by virtue of powers to that effect conferred by the same Section of the said Act, the Honorable Lieutenant Colonel William Morison, C. B., attended and took the Oaths and his Seat as an Ordinary Member of the Council of India in pursuance of his provisional appointment by the Honorable the Court of Directors.

And whereas the Honorable the Court of Directors have been pleased to resolve and direct, under the authority of the said Act, that all that Territory usually denominated the Lower Provinces, and any other Territory East of Allahabad which may not be included under that name, shall be subject to the Government of Fort William, and that the Government of Agra shall comprehend the remaining Territory, including Allahabad, Goruckpore and the Ceded Districts; and whereas the Hon'ble the Court of Directors have been pleased to appoint the Honorable Sir Charles Theophilus Metcalfe, Baronet, to be the first Governor of Agra under this Act, and also to appoint the said Sir Charles Theophilus Metcalfe to succeed to the Office of Governor General of India on the death, resignation, or coming away of the Right Honorable Lord William Cavendish Bentinck—And whereas the Honorable the Court of Directors have been pleased to declare that it has not appeared to the Honorable Court necessary or desirable to appoint two Councils for the assistance of the Governor General, one the Supreme Council, the other for the local administration of the Presidency of Fort William—and whereas the Honorable Court have not revoked the appointment of a Council for the Government of Fort William, and have not made any provision for the formation of such Council in the absence of the Governor General and of the Members of the Council of India—and whereas it is impracticable to carry into immediate execution all the extraordinary measures which

will be necessary before the duties of the Government of Agra can be entered upon, or to adopt without previous enquiry and mature deliberation, the different Official and Legislative Proceedings which the separation of the two Governments requires: and whereas for the aforesaid reasons it is not expedient that the Honorable Sir Charles Metcalfe should assume the Government of Agra, before the return of the Governor General and Council to Calcutta—The Governor General in Council has been pleased therefore to resolve, and it is hereby notified accordingly, that the administration of the Presidency of Bengal, as heretofore constituted, shall, in the mean time, continue to be carried on by the Honorable the Vice President in Council.

By Command of His Excellency the Right Honorable the Governor General in Council,

(Signed) W. H. MACNAGHTEN,

GENERAL ORDERS BY THE HONORABLE THE VICE PRESIDENT IN COUNCIL.

FORT WILLIAM; 10th July, 1834.

No. 139 of 1834.—The Hon'ble the Vice President in Council is pleased to direct, that the following Paragraphs (1 to 10) of a Letter, No. 9, from the Hon'ble the Court of Directors, in the Military Department, under date the 26th February 1834, be published in General Orders:

Para 1. "Your letter dated the 30th of March No. 41 of 1833, and its two accompanying Memorials addressed to the Governor General, by the Officers of the Rappootana Field Force and of the Sirhind Division, representing the difficulties which they experience in remitting Funds to England for the support of their families and soliciting assistance from Government, have received our early and particular attention.

2. The question of allowing the Officers of the Indian Army to effect remittances to their families in this country, through the medium of the Company's Treasury, is one which you have very properly referred to our decision.

3. The interest we have ever felt in the welfare of our Officers, and of those dependent upon them, would have led us to grant an indulgence of this kind on the former occasion, when this question was brought to our notice in your Despatch dated the 29th March 1823, had not the pressure of our Home Treasury, already caused by the numerous and heavy demands on account of the Indian Territory, prevented a compliance with the suggestion of your Government.

4. The same consideration still exists: indeed, we may remark that the amount disbursed from our Treasury on account of furlough and retiring pay to Officers, which forms a very large proportion of the home payments, has greatly increased since the period to which we have just alluded; besides which, the sum annually required, for advances to the various Military Funds, is very largely augmented, and may be expected to increase. Nevertheless we have taken into our serious consideration the representations contained in the several Memorials which we have received, and after having weighed the subject in all its bearings and circumstances, we are disposed to grant the utmost relief which, consistently with the important interest committed to our charge, we feel at liberty to concede. We have accordingly come to the determination to grant to our Officers a remittance through our Treasury at such a rate of exchange as will not occasion positive loss to our finances.

5. The rate of exchange which we intend shall be observed is that at which advances made from the Indian Treasuries to His Majesty's Government are annually repaid to us in this Country. This rate (which as you are aware is fixed every year in communication with the Lords of His Majesty's Treasury) has for some time past fluctuated between 2s. and 1s. 11d. the Silver Rupee.

6. The sums with which we will undertake to pay out of our Home Treasury, on account of each grade of Officers, are as follows—

On account of each Colonel	£300	per annum.
Lieut. Colonel	200	do.
Major	150	do.
Captain and Surgeon	100	do.
Lieut. and Asst. Surgeon	70	do.
Cornet and Assistant	50	do.

7. We estimate the demand to which the grant of such a remittance will give rise, on behalf of the Officers of the whole Indian Army, Kings and Companies, at about £330,000 per annum.

8. The mode in which this remittance is to be collected is that which is already observed in making family remittances on behalf of the European Non-commissioned Officers and Privates in your service, with the exception only of the rate of exchange which is to be regulated upon the principle already laid down.

9. You will forward to us quarterly rolls of the stoppages, made from the pay and allowances of the Officers who desire to avail themselves of this indulgence, and it must be clearly understood that the remittance is to be granted for the benefit only of the immediate relatives (that is to say of the parents, wives, children, brothers, or sisters) of the Officers who apply for it.

10. You will cause this Dispatch to be published in G. O. to the Army upon your Establishment and give immediate effect to the arrangement which it sanctions. We shall communicate a copy of it to the Madras and Bombay Governments in order that similar measures may be adopted for the benefit of the Officers serving under those Presidencies.

## CALCUTTA CUSTOMS.

**S**EA DEPARTMENT.—If Goods are Exported in full of Rowanahs then current, but are Re-landed, and not, subsequently Re-exported, until after the Rowanahs are time-expired, then such Goods are considered as fresh Exports, and treated as if they had never been protected by

Rowanahs, and Duty is taken, if any be leviable on such Goods under the Regulations. But upon request made on the face of Re-land Applications (not otherwise) parties will be furnished with Certificates giving particulars of Rowanahs, in order that they may be fully aware of the dates on which those Rowanahs will become time-expired; and such Certificates will have the force and validity of Rowanahs for any remaining period of the currency of the latter. If Exchange Rowanahs be required, they will be granted on application, with reference to the Provisions of Sections XXVI. and XXVII. of Regulation IX. of 1810. If Rowanahs shall have become time-expired between the date of Original Export, and that of Re-land, then no such Certificates can be granted; and the Goods in question will, if brought for Re-exportation, be treated as fresh Exports.

If Goods are Exported only in part, and not in full, of the quantities specified in Rowanahs, then those Rowanahs remain in the hands of the Parties concerned; and in the event, consequently, of such portions of Goods being Re-landed, no such Certificates as those above described will be issued.

By Order of the Board of Customs, dated 26th February, 1833.

G. J. SIDDONS, Collector.

28th February, 1833.

## CALCUTTA CUSTOMS.

**A**LL Persons concerned are requested to take notice of the subjoined Orders, as published in the Government Gazette of April 1831, otherwise the delay and inconvenience which may be experienced will rest upon themselves.

But by order of the Board of Customs dated 2d April 1833, to obtain Maffee Rowanahs for Goods of such sorts as are produced in this country, (and then are liable to Transit Duty) as well as Imported by Sea, either Sea Import No. and Date must be given, or whole despatches must be produced for inspection at the Custom House;—otherwise Transit Duty will be charged.

All Applications for MAFFEE ROWANAHS, must communicate the following particulars.—1st. The general or common name of each variety, or quality of Goods.—2d. The quantity and value of each description.—3d. The sort of packages in which the Goods are contained, with the marks or directions upon them.—4th. The number of each sort of package.

G. J. SIDDONS, Collector.

8th April, 1833.

## SEA CUSTOMS.

**N**OTIFICATION.—The Public are hereby informed that with a view to the encouragement of persons engaged in Curing Provisions, Government has been pleased to direct that a Drawback should be allowed of the entire Import Duty levied upon any quantity of Salt actually used in the Curing of Provisions which shall afterwards be exported by sea.

Parties desirous of benefiting by this arrangement will make known their intention to this Office, when they will be informed of the Conditions to which, for the protection of the Public Revenue, it is required that they should conform.

It is to be understood, that the present relaxation of the existing law is liable to be revoked, if found to be productive of abuse.

By Order of the Board of Customs,

G. J. SIDDONS, Collector.

Calcutta Custom House, the 4th October, 1833.

C. B., was present and acted as an Extraordinary Member, by virtue of powers to that effect conferred by the same Section of the said Act, the Honorable Lieutenant Colonel William Morrison, C. B., attended and took the Oaths and his Seat as an Ordinary Member of the

Council of India in pursuance of his provisional appointment by the Honorable the Court of Directors.

And whereas the Honorable the Court of Directors have been pleased to resolve and direct, under the authority of the said Act, that all that Territory usually denominated the Lower Provinces, and any other Territory East of Allahabad which may not be included under that name, shall be subject to the Government of Fort William, and that the Government of Agra shall comprehend the remaining Territory, including Allahabad, Goruckpore and the Ceded Districts; and whereas the Hon'ble the Court of Directors have been pleased to appoint the Hon'ble Sir Charles Theophilus Metcalfe, Baronet, to be the first Governor of Agra under this Act, and also to appoint the said Sir Charles Theophilus Metcalfe to succeed to the Office of Governor General of India, on the death, resignation, or coming away of the Right Honorable Lord William Cavendish Bentinck—And whereas the Honorable the Court of Directors have been pleased to declare, that it has not appeared to the Honorable Court necessary or desirable to appoint two Councils for the assistance of the Governor General, one the Supreme Council, the other for the local administration of the Presidency of Fort William—and whereas the Honorable Court have not revoked the appointment of a Council for the Government of Fort William, and have not made any provision for the formation of such Council in the absence of the Governor General and of the Members of the Council of India—and whereas it is impracticable to carry into immediate execution all the preliminary measures which will be necessary before the duties of the Government of Agra can be entered upon, or to adopt without previous enquiry and mature deliberation, the different Official and Legislative Proceedings which the separation of the two Governments requires; and whereas for the aforesaid reasons it is not expedient that the Honorable Sir Charles Metcalfe should assume the Government of Agra, before the return of the Governor General and Council to Calcutta—The Governor General in Council has been pleased therefore to resolve, and it is hereby notified accordingly, that the administration of the Presidency of Bengal, as heretofore constituted, shall, in the mean time, continue to be carried on by the Honorable the Vice President in Council.

The whole of the above Mehals are open to Farming offers, with the exception of the small Talook Azeemooddeen. Persons desirous of entering into Farming engagements are requested to apply to the Acting Collector of Chittagong at an early date, stating the amount Annual Jumma they would be willing to engage at, the period they would be desirous of holding the Lease, and the Security they are prepared to furnish for the punctual discharge of the Engagements which may eventually be determined on.

The Island of Kotoobdeah is separated from the mainland by a deep and broad channel of the Sea, and is necessarily so distinct from the Lands of any other Zamindarees, as to preclude the possibility of boundary disputes. Rice, of a very superior quality, is its staple produce, the crops are extremely luxuriant, and the facilities for Shipping the Grain for transport present an advantage not to be overlooked.

The eventual Farmers will be furnished with authenticated copies of the Signed Engagements entered into by the occupant Talookdars of the several Mehals.

Persons anxious to obtain more particular information, are requested to apply to the Acting Collector.

GEORGE C. PLOWDEN, Offg. Collector.

Chittagong, Collector's Office, July 9, 1834.

The whole of the above Mehal are open to Farming off is, with the exception of the small Talook Azemooddeen. Persons desirous of entering into Farming arrangements are requested to apply to the Acting Collector of Chittagong at an early date, stating the amount annual Jumma they would be willing to engage to, the period they would be desirous of holding the Land, and the Security they are prepared to furnish for the punctual discharge of the Engagements which may eventually be determined on.

The Island of Kotoobdeah is separated from the mainland by a deep and broad channel of the Sea and is necessarily so distinct from the Lands of any other Zemindars, as to preclude the possibility of boundary disputes. Rice of a very superior quality, its staple produce, the crops are extremely luxuriant, and the facilities for Shipping the Grain for transport present an advantage not to be overlooked.

The eventual Farmers will be furnished with authenticated copies of the Signed Engagements entered into by the occupant Talookdars of the several Mehals.

Persons anxious to obtain more particular information, are requested to apply to the Acting Collector.
